The positions of President, Vice President/Executive Director of International Ministries and Vice President/Executive Director of National Ministries are elected positions. It is the responsibility of the Board of Overseers to nominate candidates for these positions, and present these nominations to the annual assembly of the Conference for election. Other nominations for these positions may be made from the floor of the annual assembly provided that a candidate has filed an appropriate nominating petition with the Board of Overseers at least 30 days prior to the annual assembly.
